LULAC Council 10 in the Community

Thank you to the students at St. Ambrose University this morning for the annual bee day! Students came down to the Lulac Center and helped us with cleaning the inside of the building and cleaning the parking lot as well.

We are thankful for the annual partnership we have with Ambrose and letting students know what we do at Lulac and utilizing them to keep maintenance at the

building.

At our nonpartisan candidate forum in Davenport, hosted alongside MetroCom NAACP Unit 4019 and LULAC Council 10, four Democratic state Senate candidates and legislators spoke out on the issues shaping Iowa families. Topics ranged from prescription drug price caps and cancer research funding to Medicaid privatization and public preschool funding. Notably, no Republican candidates attended this forum or the state representative forum that followed, despite having been invited.

LULAC Council 10 and the Youth Council had a great time at the COPA night at the River Bandits!

LULAC Council 10 and the Youth Council also had a great opportunity to ride the Channel Cat this past month. Students got the opportunity to learn more on the historical significance of the Mississippi River.
